

PROFILE 2017-2018

MISSION STATEMENT

Foxborough High School, in partnership with parents and the community, creates a safe, structured and supportive environment that we believe encourages students to become thoughtful, responsible and productive citizens. The school empowers students to strive for excellence as they develop critical thinking skills through reading, writing, speaking and using technology effectively across all disciplines. We believe Foxborough High School's comprehensive curriculum and extra-curricular activities provide students with opportunities to work collaboratively to solve problems while encouraging them to mature as independent learners.

Academic Expectations

The Foxborough High School student is able to:

- Read actively and critically
- Effectively use technology

- Write using standard English for a variety of purposes and audiences
- Use oral skills to communicate ideas coherently for a variety of purposes
- Develop critical thinking skills for assessing information and problem solving

Civic and Social Expectations

Foxborough High School students are people of integrity who respect themselves and each other, appreciate diversity, and take responsibility for their actions. They strive to understand the world they live in and become contributing members of society.

COMMUNITY

Norfolk County, Population: 17,457

Incorporated: 1778

Foxborough is an attractive developing suburban community committed to quality education. The town is located twenty-five miles southwest of Boston accessible by I-495, I-95, and Route 140. Foxborough High School is a competitive high school serving grades 9-12.

CO-CURRICULAR OFFERINGS

Foxborough High School believes that student involvement in co-curricular and extracurricular programs are an essential component to student success. Students are encouraged to participate in the numerous organizations, which include award-winning music, drama and art programs, as well as, outstanding athletic programs, and a highly active student council. Clubs ranging from the school newspaper to the Multicultural Club serve diverse student interests. In addition, 75% of the student body participates in one or more of the offered activities. Foreign cultural tours for students are conducted annually by world language personnel.

CLASS RANK

A Grade Point Average (GPA) will be calculated for each Foxborough High School student. Only courses that are both graded and leveled shall be included in the calculation of the GPA. The GPA will be calculated to the nearest hundredth. When calculating the class rank, if a tie occurs, both students will share that rank except in the cases of the valedictorian and salutatorian, which will be calculated beyond the hundredth place. A student enrolled at Foxborough High School, who has been given approval to take a course at a location other than Foxborough High School, shall not have that course calculated into his/her GPA.

Letter Grade	% Value	AP Courses Points	Honors Points	College Prep. Points
